Correction: Processing genome-wide association studies within a repository of heterogeneous genomic datasets

Anna Bernasconi^{1*} , Arif Canakoglu¹ and Federico Comolli¹

BMC Genomic Data (2023) 24:13

<https://doi.org/10.1186/s12863-023-01111-y>

Following publication of the original article [1], it was reported that the article entitled “Processing genome-wide association studies within a repository of heterogeneous genomic datasets” was published in the regular issue of this journal instead of in the supplement issue.

The details of the supplement in which this article ought to have been published are given below:

About this supplement

This article has been published as part of BMC Genomic Data Volume 24 Supplement 1, 2023: Selected articles on Conceptual Modeling for Life Sciences (CMLS 2021

workshop and ER 2021 conference): genomic data. The full contents of the supplement are available online at <https://bmcgenomdata.biomedcentral.com/articles/supplements/volume-24-supplement-1>.

The publisher apologizes for any inconvenience caused.
Published online: 05 June 2023

Publisher's Note

Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at <https://doi.org/10.1186/s12863-023-01111-y>
